All students who wish to have rooms found for them in Ambleside for the Conference week, April 18th to 27th, are requested to communicate with

MISS WISE,
Scale How,
Ambleside,

before March 5th.

We are able to announce that Mrs. Firth has most kindly consented to open the Conference, and we shall all feel, therefore, that at least our meeting will be inaugurated in the right spirit.

Although the afternoons have been left free, it is hoped that Mr. Yates may perhaps very kindly give us an "Art Talk" one day, and there are hopes that a literary evening may also be arranged for us by the kindness of Mrs. Firth.
